Sustainability Checklist for Visiting Seatrade Cruise Global 27-30 March

- [ ] **Consider how you'll get to the event and if you can take lower carbon transport** (or offset your carbon through the registration process)
- [ ] **Bring a refillable bottle to save plastic** (there are water points at the convention center)
- [ ] **Recycle your waste onsite and in your hotel** where possible
- [ ] **Support the Seafarers House** by bringing items to the convention center to put in humanitarian bags for visiting seafarers
- [ ] **Support Charity Partner, Mercy Ships** by donating at **www.mercyships.org**
- [ ] **Consider opting for vegetarian and vegan food options and avoid food waste**
- [ ] **Only take the give-aways or brochures you will need and use,** consider If there are digital alternatives
