Meet your Health & Safety Ambassador:

JOHN SIFLING
Principle, Broad Reach Maritime LLC

"The Health & Safety Theater is a unique opportunity to hear from expert tech innovators in both cruise and related industries. For those interested in learning more about cruise recovery in 2022, the Health & Safety Theater is bringing together senior leaders in the cruise industry, government, and partner industries to speak about policy, resiliency plans to navigate our industry toward a bright future."

What is Seatrade Cruise Global?

Seatrade Cruise Global is the leading B2B event for the international cruise community and annually brings together buyers and suppliers from 100+ countries around the world.

Over the four-day event you can expect to see thousands of attendees including industry influencers and high-level cruise executives exploring the latest trends across all facets of cruise. Visitors can also take advantage of the 45+ hours of networking opportunities and enjoy hours of educational and thought-provoking talks and speaker sessions with a comprehensive conference schedule.
